

The 4-H Pulse

Fayette County

March 8, 2021

Social Media

If you are a user of Facebook, hopefully you have connected to the Fayette County Facebook page. It is a quick way to get current information about the county, state and national 4-H program. Sometimes articles about camp or livestock are shared on these sites.

Quality Assurance

All quality assurance will run from 6~7:30 pm at the Mahan Building.

You must pre-register: March 22 (FULL), April 6, April 20

All market animal exhibitors must complete one QA for 2021.

ALL QA MUST BE COMPLETE BY JUNE 4, 2021.

We are pre-registering kids for QA to abide by COVID-19 precautions and social distancing.

Masks will be required. FFA members (8th grade included) generally get their certification through class and if members attended a program outside of the county, they must provide a certificate of completion. If kids decide to complete the online YQCA we accept that for kids 12 and older. If it was completed after October of 2020 it will count towards their 2021 QA requirement.
