

Southwest Ohio Virtual Coffee Talk

This is a weekly opportunity for you to meet, discuss and ask questions virtually about issues that are affecting Agriculture during the COVID-19 pandemic. This weekly, virtual meeting is being hosted by county Extension Educators from Clinton, Fayette and Greene Counties along with State Agronomy Specialist, Elizabeth Hawkins.

Each week will include topics that are generated from asking you "What's on your Mind?"

April 9th – Guest Speaker - Aaron Wilson PhD, Byrd Polar and Climate Research Center to discuss spring weather update. Also, On-Farm Research will be discussed and highlighted.

Possible topics for future sessions: supply chain concerns, machinery/equipment, marketing outlook, growing season topics and others.
